OBJECTIVE

Gold Medalist Artificial Intelligence undergraduate having a CGPA of 3.5, with experience in machine learning, deep learning, computer vision, and NLP. Strong background in developing AI-based systems and a collaborative approach to solving real-world problems.

EDUCATION

Bachelor of Science (Artificial Intelligence), FAST University

2022 - 2026

SKILLS

Technical Skills Machine Learning, Deep Learning, Computer Vision, NLP, Agentic AI, Vision-Language Models, Python, PyTorch, TensorFlow, LangChain, LlamaIndex, n8n, Flask, Node.js, SQL, Data Visualisation, AI Automation, Multi-Agent Systems, Gradio

Soft Skills Leadership, Analytical Thinking, Team Collaboration, Communication, Adaptability

PROJECTS

DetectifAI - AI-Surveillance System (FYP). AI-powered CCTV platform with real-time event detection, vision-language captioning, facial recognition, and NLP-based video retrieval, demonstrating end-to-end AI product development with real-world impact.

Real-time Airspace Monitoring using n8n. Multi-agent AI system using n8n for real-time airspace tracking with anomaly detection and natural-language summaries, showcasing agentic AI and data-driven insight generation..

Retail Inventory Counting using MPCount. Built a computer vision system for automated retail shelf stock counting using the MPCount methodology with competitive MAE performance.

WORK EXPERIENCE

Computer Vision Intern

Jun 2025 - Aug 2025

Decimal Solutions

Islamabad, Pakistan

- Applied Computer Vision, Vision-Language Models, and NLP to support detection of **5+ suspicious activities** such as fighting, fire, and weapon detection.
- Processed and validated **1,500+ surveillance frames and image samples**, helping reduce manual footage review effort by **30%**.

Python Intern

Jul 2024 - Aug 2024

Protect Lab

Islamabad, Pakistan

- Developed **3+ Python-based cybersecurity tools** for vulnerability scanning and automation.

Teaching Assistant

Jan 2024 - Jun 2024

FAST University

Islamabad, Pakistan

- Guided and assessed **90+ students** in programming projects, assignments, and lab evaluations.

ACHIEVEMENTS & LEADERSHIP

- **Gold & Bronze Medalist** — academic excellence, performance-readiness, and continuous improvement.
- **Rector's List of Honor & Dean's List of Honor** — consistent high achievement throughout university.
- **Ambassador, Inspiring Women Pakistan** — leadership, communication, and community engagement.
